The screenshot shows a mobile application interface for logging into a Power BI report server. At the top, there is a navigation bar with a back arrow on the left, the text "Power BI" in the center, and "登入" (Login) on the right. Below the navigation bar, there is a red-bordered box containing the text "報表伺服器" (Report Server). The main content area displays the URL "http://pbi.mmh.org.tw/reports". Below the URL, there is a red-bordered box containing two input fields: "使用者名稱" (Username) and "密碼" (Password). The password field has a visibility toggle icon on the right. At the bottom of the screen, there is a yellow button with the text "連線到伺服器" (Connect to Server), which is also highlighted with a red border.
